Officiant - Minister - Pastor - Priestess

Congratulations on your wedding plans! Now you need a licensed minister to perform your wedding ceremony and to help you create your perfect wedding vows. But you do not have a "home church", and therefore no family pastor to marry you? Or perhaps you and your Mate are from different faith backgrounds and wish to incorporate elements from both traditions on your special day. Or maybe you do not practice any religion at all, but still require a professional officiant to solemnize your marriage. If you are searching for a licensed, non-denominational officiant in the State of California, you may be having a tough time finding someone you can relate to. Worry not! You just found Reverend Angelle! (pronounced Ann-gel)

Rev. Angelle specializes in custom-designing wedding ceremonies to suit your needs, tastes and faith, and is willing to travel to you for your ceremony. She is local to the Greater Los Angeles Area of California, and willing to travel the entire state of CA and other destinations, including (but not limited to) Los Angeles County, Orange County, Santa Barbara County, Kern County, Ventura County, San Bernadino County, Riverside County, etc. Arrangements for fees are negotiable (See [FAQ below](#)), and wedding ceremonies and wedding vows are customized to suit your personal preferences.

Whether you prefer a totally secular (non-religious), or civil wedding ceremony, a ceremony with religious traditions, a good old-fashioned **handfasting ceremony** to "tie the knot", or even if you are planning to elope and need a Justice of the Peace marriage ceremony, your personal choices are respected as your wedding ceremony is planned out, step by step. Rev. Angelle's wedding ceremonies are original, unique and very highly regarded for their elegant, artistic flavor and personalized styling. Want to write your own wedding vows? Rev. Angelle can help you perfect them so they are everything you want them to be. Have you always dreamed of having a Renaissance or "theme wedding"? Together we can design any "masquerade" you might desire.

"My goal is to create your ceremony so that the language of it speaks to your heart, and to help the first day of your marriage be filled with all you've ever wanted it to be."

Inter-faith, non-denominational, agnostic, atheistic, and couples of all faiths and traditions are welcome.
